Mr. Starzec, I understand that you are willing to serve as the Planning Boards Liaison to the EDC. To that end, the Board would like to interview you for appointment to that capacity. I have an opening on the Feb.7 Selectmen's Agenda at 7:25 P.M. in room 204. It should only take a few minutes. Please let me know if you are available for this interview so that I can reserve you space on the Agenda.
